ORDER

Issued: June 2, 2015

Released: June 2, 2015

On May 29, 2015, Game Show Network, LLC, (“GSN”) and Cablevision Systems Corporation (“Cablevision”) submitted a joint request to extend the page limit for trial briefs from 35 to 50 pages. The parties represent that the Enforcement Bureau does not oppose this request.

An extension in page limit may aid in addressing additional issues, additional discovery, and the decision of the D.C. Circuit in *Comcast Cable Communications v. FCC*, which have all arisen since trial briefs were last filed more than two years ago. The Presiding Judge finds that GSN and Cablevision have shown good cause for such relief and grants the request to extend the page limit for trial briefs from 35 to 50 pages.

SO ORDERED.

FEDERAL COMMUNICATIONS COMMISSION¹
